## DIRECTOR RESIGNATION FROM THE BOARD OF IRONBARK

The Board of Ironbark Zinc (Ironbark) (ASX:IBG) wishes to advise that Mr Gregory Campbell has resigned as a Director. Mr Campbell will also leave the role of Director of Engineering to explore other opportunities now that the primary engineering duties have been completed.

The board wish to thank Mr Campbell for his outstanding contribution as a founding Director of Ironbark, his role in acquiring and advancing the Citronen Base Metal Project from Prefeasibility to Feasibility study, continuous optimisations and progressing the Greenland Governments permitting process.
