Level 1, 350 Hay Street
SUBIACO WA 6008

YOUR VOTE IS IMPORTANT

The business of the Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 4.00pm (WST) on 18 November 2014.

VOTING IN PERSON

To vote in person, attend the Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

DATED: 16 OCTOBER 2014

BY ORDER OF THE BOARD

**ROBERT ORR
COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS – AGENDA ITEM

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2014 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.ironbark.gl/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directed	Undirected
Key Management Personnel ¹	Voted	Not voted ³
Chair ²	Voted	Voted at discretion of Proxy ⁴
Other	Voted	Voted at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

3. RESOLUTIONS 2 AND 3 – RE-ELECTION OF DIRECTORS – GREG CAMPBELL AND DAVID KELLY

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 year, whichever is the longer.

Clause 11.3 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 11.3 of the Constitution is eligible for re-election.

The Company currently has 7 Directors (other than the Managing who is not taken into account for the purpose of clause 11.3 of the Constitution) and accordingly 2 must retire.

Messrs Greg Campbell (initially appointed as Director on 28 April 2006) and David Kelly (initially appointed as Director on 16 July 2007), the Directors longest in office since their last election, retire by rotation and seek re-election.

Information on the skills and experience of Greg Campbell and David Kelly are set out in the annual financial report of the Company for the financial year ended 30 June 2014.

The Board has considered Mr Campbell's independence and considers that he is not an independent Director due to his participation in an executive capacity within the Company.

In respect of Resolution 2, the Directors, other than Mr Campbell, support the re-election of Greg Campbell and recommend that Shareholders vote in favour of Resolution 2.

The Board has considered Mr Kelly's independence and considers that he is not an independent Director as he is the representative of a substantial shareholder.

In respect of Resolution 3, the Directors, other than Mr Kelly, support the re-election of David Kelly and recommend that Shareholders vote in favour of Resolution 3.

4. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE – SHARES TO SOPHISTICATED INVESTORS

4.1 General

On 22 August 2014, the Company issued 28,000,000 Shares at an issue price of \$0.09 per Share to raise \$2,520,000.

Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares (**Placement Ratification**).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

4.2 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Placement Ratification:

- (a) 28,000,000 Shares were issued;
- (b) the issue price was \$0.09 per Share;

- (c) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued to sophisticated and professional investors who are clients of Hartleys Limited and BW Equities. None of these subscribers are related parties of the Company; and
- (e) the funds raised from this issue were used for funding the progress of the Citronen Zinc Project, exploration on Greenland and Australian base metal projects and for general working capital.

5. RESOLUTION 5 – APPROVAL OF 10% PLACEMENT CAPACITY– SHARES

5.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 5, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 5.2 below).

The effect of Resolution 5 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 5 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed.

5.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$44.2 million.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has 1 class of Equity Securities on issue, being the Shares (ASX Code: IBG).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
 - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

5.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 5:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 5.3(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and

- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0525 50% decrease in Issue Price	\$0.105 Issue Price	\$0.21 100% increase in Issue Price
442,115,275 (Current Variable A)	Shares issued - 10% voting dilution	44,211,528	44,211,528	44,211,528
	Funds raised	\$2,321,105.19	\$4,642,210.39	\$9,284,421
663,172,913 (50% increase in Variable A)	Shares issued - 10% voting dilution	66,317,291	66,317,291	66,317,291
	Funds raised	\$3,481,658	\$6,963,316	\$13,926,631
884,230,550 (100% increase in Variable A)	Shares issued - 10% voting dilution	88,423,055	88,423,055	88,423,055
	Funds raised	\$4,642,210	\$9,284,421	\$18,568,842

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 442,115,275 Shares on issue comprising:
 - (a) 441,584,523 existing Shares as at the date of this Notice of Meeting; and
 - (b) 530,752 Shares which will be issued if Resolution 5 is passed at this Meeting, assuming the Shares are issued to Mr Byass at a price of \$0.105 per Share (being the closing price of Shares on 15 October 2014).
2. The issue price set out above is the closing price of the Shares on the ASX on 7 October 2014.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), funding the progress of the Citronen Zinc Project, exploration on Greenland and Australian base metal projects and (funds would then be used for project, feasibility studies and ongoing project administration) and general working capital etc; or
- (ii) as non-cash consideration for the acquisition of new resources assets and investments including previously announced acquisitions, in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 28 November 2013 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 20 November 2013, the Company otherwise issued a total of 32,491,856 Shares which represents approximately 7.64% of the total diluted number of Equity Securities on issue in the Company on 20 November 2013, which was 425,142,667.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 1.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

5.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 5.

6. RESOLUTION 6 – ISSUE OF SHARES TO ADRIAN BYASS

6.1 General

In order to provide a performance linked incentive component in the remuneration package and to allow the Company to spend a greater proportion of its cash reserves on its operations than it would if cash forms of remuneration were given, the Company has agreed, subject to obtaining Shareholder approval, to issue Shares to Mr Adrian Byass (or his respective nominees) in place of \$55,729 of his cash remuneration on the terms and conditions set out below.

Resolution 6 seeks Shareholder approval for the issue of the Shares to Mr Byass (or his nominee).

6.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Shares constitutes giving a financial benefit and the Mr Byass is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Byass who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Shares because the agreement to issue the Shares, reached as part of the remuneration package for Mr Byass, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

6.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

As the grant of the Shares involves the issue of securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

6.4 Technical Information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to Resolution 6:

- (a) the Shares will be granted to Mr Byass (or his nominees);
- (b) the number of Shares to be issued to Mr Byass is the number of Shares which, when multiplied by the deemed issue price, equals \$55,729;
- (c) the deemed issue price will be equal to the volume weighted average price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made;
- (d) the Shares will be granted no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares will occur on the same date;
- (e) the Shares will be issued for nil cash consideration, accordingly no funds will be raised; and
- (f) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.

Approval pursuant to ASX Listing Rule 7.1 is not required for the grant of the Shares as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the grant of the Shares to Mr Byass (or his respective nominees) will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

7. RESOLUTIONS 7 TO 10 – ISSUE OF OPTIONS TO DIRECTORS

7.1 General

In order to provide a performance linked incentive component in the remuneration package and due to improving market conditions, an improved cash position of the Company and an increasing work load including substantial future travel requirements and general increasing living costs, the Company has agreed, subject to obtaining Shareholder approval, to issue Options to Messrs Peter Bennetto, Adrian Byass, Jonathan Downes and Greg Campbell (or their respective nominees) (**Related Parties**) on the terms and conditions set out below (**Related Party Options**).

Resolutions 7 to 10 seek Shareholder approval for the issue of the Related Party Options to the Related Parties (or their respective nominees).

7.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of Related Party Options constitutes giving a financial benefit and the Related Parties are related parties of the Company by virtue of being Directors.

The Directors (other than the Related Parties who have a material personal interest in the Resolutions 7 to 10, being Messrs Peter Bennetto, Adrian Byass, Jonathan Downes and Greg Campbell) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Related Party Options because the agreement to issue the Related Party Options, reached as part of the remuneration package for the Related Parties, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

7.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

As the grant of the Related Party Options involves the issue of securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

7.4 Technical Information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to Resolutions 7 to 10:

- (iii) 6,000,000 Related Party Options to Jonathan Downes; and
- (iv) 4,000,000 Related Party Options to Greg Campbell;
- (c) the Related Party Options will be granted no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Related Party Options will occur on the same date;
- (d) the Related Party Options will be issued for nil cash consideration, accordingly no funds will be raised; and
- (e) the terms and conditions of the Related Party Options are set out in Schedule 2.

Approval pursuant to ASX Listing Rule 7.1 is not required for the grant of the Related Party Shares as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the grant of Related Party Options to the Related Parties (or their respective nominees) will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

20 October 2014

Dear Shareholder,

Please find enclosed the Annual General Meeting notice for Ironbark Zinc which has been called for 20 November 2014 in Perth; I sincerely hope you are able to join us.

Ironbark's activities over the past year advanced the Company significantly towards developing a globally significant base metals mining house. Our team's work has delivered several milestone achievements at our world-class 100% owned asset, the Citronen Base Metals Project ("Citronen") in Greenland, which now rates as the largest zinc resource wholly owned by a junior company.

The recent lift in the zinc price directed the media's and investors' attention onto the severe supply constraints facing the industry, and Ironbark has been exceptionally well positioned to take advantage of the zinc rally - as reflected in the Company's increased share price.

The zinc price remains relatively low against the 10 year average as well as much lower than levels reached in 2007, and significantly lower than future projected prices. Decades of under investment in the world's fourth most used metal will continue to support the zinc price and our vision to develop Citronen into a major zinc mine.

Ironbark is without significant peers on the Australian Stock Exchange due to market conditions of recent years; the market's growing appreciation of Ironbark's positioning on the global zinc stage was evidenced in August by the overwhelming interest received for the Company's \$2.5 million placement.

A great deal of work lies ahead to take Citronen through to financed production, and we are excited by the prospects facing the Citronen project - of one of the world's largest credible zinc development projects at an advanced post-feasibility stage - of which we are proud to be the 100% owners.

Citronen's mine life of at least 14 years is defined only by the limits of drilling conducted to date. Identified mineralisation remains open in almost every direction at Citronen, and as such one of the project's most exciting aspects is its exceptional exploration potential.

Ironbark's most recent achievement at Citronen is the final lodgement of the documentation comprising a formal Mining Licence application. Prior to this, Ironbark entered into a revised Memorandum of Understanding with China Non-Ferrous Metal Industry's Foreign Engineering and Construction Co. Ltd. Following completion of such key milestones, Ironbark's team looks forward to making significant progress on permitting and development as we progress the Citronen project to the next stage

The Company firmly believes the inevitable impending shortage of zinc metal and zinc mines combined with increased and on-going international demand for zinc will deliver a solid platform for growth. This belief is supported by the highly reputable base metal/commodity forecasting group, Wood Mackenzie, who have predicted a rising zinc price from late-2013 onwards.

On behalf of the Ironbark team, I extend our appreciation for your loyal support as we remain unwaveringly on track towards developing a leading international base metals company.

Yours sincerely,

Jonathan Downes
Managing Director
